The RMMSA Association will provide all Rep Teams with 1 Red and 1 Blue Jersey player prior to the start of the season. These jerseys are property of the Association and amendments to the jersey, such as adding last names, is not permitted.

Custom Jerseys:

Teams have the following options if they choose to purchase custom Jerseys:

- Teams may purchase full sets of jerseys, both red, blue and white through Rep Uniform Manager and have them customized with the players last name
- Teams may purchase a set of red, set of blue jerseys or jet of whites through Rep Uniform Manager and have them customized with the players last name. Association will provide jerseys to the team in the opposite colour than the custom jerseys.
- **No sponsorship can be added to the custom jersey**

Teams who intend to purchase Custom Jerseys must advise via email sent to the Rep Uniform Manager advising them of their intent and which of the options and colour they will be getting customized. This will ensure the association does not order jerseys for that team that will not be required. Emails should be sent no later than October 15 of the year prior to the season.

- As an example – emails must be received by Oct 15, 2018 for the 2019 Season

- Items cannot be worn on the field during games
- Mock-ups of the advertising and placement to be sent to Rep Uniform Manager and for approval before orders are placed.
