

## RMMSA Return to Play Complaint Process

**RMMSA maintains a zero-tolerance policy on any breach in the return to play protocol.**

1. All coaches and team staff are expected to know the policies required in each of the return to play innings.
2. If someone witnesses or experiences a breach in any of the SBBC return to play protocols a formal complaint should be lodged via the RMMSA website.
3. Registered complaints will be sent directly to, President of RMMSA.
4. The President will delegate the complaint to the appropriate member of the executive to initiate an investigation. (Typically the Director of the A and B program or The Director of the C program)
5. President will also notify the head coach of the team who has had the complaint lodged against them that they are potentially in breach of the RTP policies.
6. The complainant must fill out the attached form in its entirety. Failure to complete the form may result in an inability to investigate.
7. This form will act as the “file” until the investigation is complete.
8. Should the investigation provide evidence of a breach in RTP policy, President will report the matter to SBBC and the infracting team may not participate in RTP without written SBBC permission.
9. Please note that SBBC reserves the right to put sanctions on a team’s ability to register to play in the 2021 season.
