

Fair Play Code - Coach

Ridge Meadows Minor Softball Association

- I will complete a Criminal Record Check or Screening Disclosure Form and all required training in accordance with the schedule/requirements set out by RMMSA.
- I will conduct myself in a manner that will bring credit to the association and credit to myself.
- I will model good sportsmanship by treating everyone fairly, with respect and dignity, including players, parents, coaches and officials.
- I will avoid the use of profanity, violent behaviour, bullying, unsportsmanlike conduct and abuse of any kind toward other parents, players, coaches or officials.
- I will demonstrate respect and support for all umpires and encourage all players, parents and spectators to do the same.
 - I recognize that, at some levels of play, umpires are sometimes young and inexperienced, requiring even more of my patience and support.
 - I will direct all comments and concerns about league umpires to the Umpire In Chief in a calm, objective and rational manner.
- I will teach all players the skills of the game, the values of teamwork and the meaning of good sportsmanship.
- I will provide a safe playing environment for the players. I will give them encouragement and positive direction, remembering that players play to have fun. They are playing for their enjoyment, not mine.
- I will ensure that all players get equitable instruction, opportunity, support and playing time.
- I will ensure the activities being undertaken are suitable for the age, experience, ability and fitness level of the players I coach.
- I will direct any necessary feedback at the performance, not the person.
- I will work to resolve all parent-coach or player-coach conflicts related to playing time, in-game decisions, coaching methodologies, personality conflicts or otherwise. I will resolve these matters outside of practice time, game time or the team dugout.

- I recognize that I am strongly encouraged to wait 24 hours from the time of the event or activity before contacting, or responding to, a parent or player for discussion.
- I acknowledge that I have the support of the association and all the resources they encompass. I am encouraged to contact my Division Manager for additional support. I am not on my own, especially when dealing with conflict.

- I will have respect for all facilities and equipment used in the sport.
- I will remember that winning isn't everything. Players having fun, improving their skills, making friends and doing their best are also important.

I, the undersigned, agree to abide by the above.
